RE: South Carolina Electric & Gas Company Construction

Dear Mr. Terreni:

In accordance with PSC Regulation 103-412 (2.7) (S.C. Code of Laws Ann. 1976). South Carolina Electric & Gas Company (SCE&G) hereby notifies the Public Service Commission of South Carolina (PSC) of its construction plans. The projected costs for this construction project exceed one million dollars.

SCE&G plans to commence construction of an eight inch high pressure gas line from near Goose Creek, SC to Cypress Garden road. This new seven mile line will be located on a combination of highway and utility right-of-way. SCE&G plans to commence construction of this project around August 21, 2006.

Should you have any questions regarding this matter, please do not hesitate to contact me. Thank you for your attention to this matter.

With kind regards,

Patricia Morrison
